Dear Professor Bunge,

Many thanks for your letter of February 11. I am looking forward to getting your two books.

As to my Logic of Scientific Discovery, I am pleased and flattered by your request for a copy. Unfortunately, I have none of the presentation copies left; but you must get one. The question is only whether you might not be prepared to make some arrangement to review it somewhere: in this case I could ask the publishers to send you a review copy, while otherwise I would have to pay for it (at a reduced price). Please let me know whether you can review it, and where, for the publisher will want to know this. I hope you do not mind doing this.

yours sincerely
K. R. Popper.
