

March 20th 1959

Dear Professor Bunge,

The publishers, <sup>(Hutchinson)</sup> are sending you a copy of my book today or tomorrow.

If you review it, you would mention that the book is published by Hutchinson, London (50s) and by Basic Books, New York (\$7.50).

The first English edition is almost sold out, and they are reprinting it, which gives me an opportunity for many corrections.

I am sending you by separate mail a list of corrections. Should you notice any misprints not in my list, I shall be most grateful if you tell me about them.

Yours sincerely  
K. R. Popper.
