Dear Mario,

In great haste: we saw Passmore and his wife when they were in England (they came to Fallowfield) and John Passmore was very keen on your coming to Canberra. He then said that a letter from Karl in support would be a good idea, and of course Karl wrote at once ^{a strong letter} to Canberra. Karl also suggested that Herbert Feigl should write which Passmore also found a good idea and which Herbert did. Just now Karl got a letter from Passmore (June 17th) saying that the University (i.e. Canberra) 'is receiving extremely conflicting reports' about you, and urging that Feigl should write which, however, Feigl had already done. The pity is that Passmore is not in Canberra and that he won't be there for quite a time.

The purpose of this letter is to enable you to mobilize (perhaps 3 if you think it wise) the one or other man who would have weight, and would support you strongly.

We hope you can have a holiday now. We enjoy the sun here but for Karl it is much work, as usual.

Love
Hannie

Love to both of you

K. David
P.S. I am writing a line to Boles; and I shall ask Hilary Putnam, who is here.
