

Fallowfield, December 1964.

Dear Mario and Marta,

This is to wish you a happy Christmas, as happy as possible in what seems to be a not too encouraging situation, I am afraid.

And many many thanks for all your kindness. You have been very good to us, and I am afraid that Mario has spent a tremendous lot of time and energy on the Festschrift, far too much.

Love and best wishes from both of us,

*Karl & Herminie,*
