Dear Mario,

Very many thanks for your telegram and for your kind notes, concerning your planned and always prevented arrivals. It was very good of you to keep in touch in the only way that was open to you.

As you are travelling a lot, perhaps some day you will hit a non-strike day. This is the best one can hope for nowadays.

The Self and Its Brain is coming out in October. You will receive a copy.

Many thanks for "Emergence and the Mind". It so happens that I announced six mouth ago the Eithe of my (fost) Darwin heature (8 Nov. 1977): " Natural Selection and the Europeace of lind ". hove Kaeol
